Equality Diversity and Inclusion Policy June 2024

Equality

This means everyone having access to the same opportunities and chances in life

Diversity

This means people aren't all the same. For example, people come from different backgrounds, make different choices or are good at different things.

Inclusion

This means Everyone can take part, and everyone has a fair chance.

Our Vision and Values

Southport and Formby Health are:

Trusted

We will work hard to make sure our service users trust us.

Community based

We will make sure our services are accessible in the heart of our community.

Supportive

We will make sure we are there for our community and service users when they need us.

Convenient

We will make sure our services run in the evenings and during the weekends so more people can use them.

Innovative

We will always learn, develop, and do things a better way.

What we want to do

Help to promote a healthy community

Make sure all Southport and Formby Health staff have the skills they need to support people with different needs

Make sure all decisions and plans include thinking about the equality and diversity of the community

We want Southport and Formby Health to be a good employer for everyone

We want people to have good experiences of the services we provide

Why we want this to happen

We want our services to reach the whole of the community

We want to be an employer of choice

How we will make this happen

We will follow the rules for public organisations

We will always look to improve and ask for feedback

We will closely work with GP Practices, other healthcare organisations and the community

We will train our staff to help them to understand how important equality and diversity is and how to implement it.

We will follow fair recruitment procedures and make sure our staff feel included.
